A vertical wooden utility pole stands prominently in the center of the frame. A white rectangular sign is attached to its side, featuring the words "ASSEMBLY AREA" in green capital letters and the number "2" below it in a larger green font. Two yellow cylindrical objects, possibly markers or part of a surveying equipment, are positioned on the ground to the left and right of the pole. In the background, a body of water is visible under a clear blue sky. Several other utility poles and wires are scattered across the horizon.
